INVESTED IN YOUR SUCCESS.

Expertise, from Start to Finish.

WE PRIORITIZE YOUR NEEDS OVER A
SINGULAR EXECUTION BY OFFERING
IMPARTIAL ADVICE THAT LEADS TO
THE BEST ECONOMIC DECISIONS.

WHAT SETS US APART IS NOT WHAT WE DO, BUT HOW WE DO IT.

Northmarq is an investor's strategic partner for navigating opportunities in the build-to-rent space. At the start of every engagement, we form a unique team consisting of an advisory group leader, a debt and equity leader, and a local market advisor to tailor asset-specific strategies. Our fully-integrated approach ensures each opportunity is explored, receives thoughtful analysis, and delivers actionable recommendations. It's a structure that successfully pairs granular market expertise with national experience. The result is a team of institutional quality with a personalized touch, found only at Northmarq.

THE NEWEST PRODUCT CATEGORY ISN'T NEW TO US.

No commercial real estate company can match our experience or breadth of knowledge in the BTR business. During the past eight years, we have devoted resources to industry-leading research, custom financial modeling, and cutting-edge marketing tailored specifically to the BTR product type.

These investments have yielded results. We have brokered and financed dozens of BTR transactions across the United States since 2018. Additionally, Northmarq has ranked among the industry's top tier of investment sales and debt and equity providers in each of the past eight years.
